

College of Education Scholarships

The College of Education is proud to award nearly \$180,000 in scholarships each year thanks to our generous scholarship supporters. All scholarships are awarded to students enrolled in the College of Education. The COE is continually looking to increase this support as we strive to serve more students. If you would like to learn more about how you can support the college's scholarship program, please contact Mark Fukeda, Director of Development, at (808) 956-7988 or via email at mark.fukeda@uhf.hawaii.edu.

Applications are available on the College of Education's website in January and are due annually on February 14th.
