This program is for future professionals who are concerned with the acquisition and transmission of knowledge that contributes to the growth, development, health, fitness and wellness, and lifelong physical activity and motor performance of all individuals. A professional preparation curriculum is provided for students who wish to be licensed to teach physical education in grades: K-6 (Elementary), 6-12 (Secondary) or K-12. The College of Education at the University of Hawai‘i at Mānoa is currently a member in good standing of the AAQEP, with our next AAQEP full accreditation review scheduled for Spring 2021, https://coe.hawaii.edu/about/overview/accreditation. The College was nationally accredited from 2001 to 2018 by NCATE, the National Council for Accreditation of Teacher Education.

Student Teaching requirement
1. Apply for student teaching via Makalei, https://makalei.coe.hawaii.edu/student. Once you complete Makalei, you will be instructed to meet with an advisor at OSAS (meet with KRS Advisor if needed). Deadlines to meet with an advisor to complete the student teaching application and graduation application:
   - September 15 for Spring graduation
   - February 15 for Fall graduation

Departmental advising is strongly recommended as soon as students have decided on teaching as an area of emphasis. Both physical education and health education comprise this program of study; one area cannot be chosen over the other. Students must have a genuine desire to work with children and youth, and demonstrate appropriate dispositions relative to teaching and being a professional.

The student who majors in this program of study must demonstrate competence in motor skills and achieve and maintain health-related fitness, and comprehensive knowledge relative to content in health and physical education as well as effective teaching strategies, National and state standards, diversity issues, assessment, and accountability.
