MISSION

The school serves two interlocking missions: to design and deliver the best possible education to its students, and to serve the educational research and development community as an inventing and testing ground for high-quality educational programs.

VISION

The vision of the University Laboratory School is that “all students graduate ready for college, work, and responsible citizenship.”

Life at the Lab School – 2014
Directed, filmed and edited by
Shelbi Kulp (Class of 2014),
Kamakaiwoa Keobдорожa (Class of 2014),
and Chris Zona.

“Life at the Lab School – 2014” is a ULSMedia production describing the all-inclusive global knowledge that forms the foundation of the school’s constructivist, experiential curriculum. It features interviews with teachers and students along with footage of a broad range of student activities and daily life.
