Our top values are: Positive Mindset, Connection, Responsibility, Empowerment, & Wellbeing. Based on these truths, we facilitate strengths-based good-vibes professional development for Hawai‘i’s early educators. We are in service to support you to be your best self so that you can support your students to be their best selves. H-PEP is passionate about connecting you to quality resources, helping you to focus on what’s going right in your class, encouraging genuine personal reflection & ‘aha!’ moments, & supporting the exchange of Light. Your presence, wisdom, and unique contributions to your students are honored. It begins with YOU!
