Admission Requirement:

The Professional Athletic Training Program invites applications from prospective students who are interested in pursuing a career in Athletic Training. All applicants need to meet the Office of Graduate Education admissions standard and documentation requirements, as well as specific Professional Athletic Training Program criteria and requirements.

To be eligible to apply, an applicant needs to meet the following criteria:

- A bachelor's degree from a regionally accredited U.S. college or university, or an equivalent degree from a recognized non-US institution of higher education.
- Above average academic performance (B average, usually a 3.0 on a 1.0 – 4.0 scale) for undergraduate course work, program pre-requisites, and for any post-bachelor or graduate course work.
- Completion of pre-requisites courses with minimum grade of C, (or to be completed in the last semester).
- Minimum of 200 hours of clinical observation under BOC Certified Athletic Trainer, (or to be completed within the last semester; a memo from supervising AT is required).

NOTE: Meeting minimum admissions standard does not guarantee admission.
