Frequently Asked Questions (FAQs)

Licensure
- Upon successful completion of the Ethnomathematics Graduate Certificate, will I be recommended for licensure to teach mathematics?
- No. The Ethnomathematics Graduate Certificate is not a licensure program.

Transferring Credits
- Upon successful completion of the Ethnomathematics Graduate Certificate, will all of the credits apply to a Master’s Degree?
- If enrolled concurrently (this must be done BEFORE completion of the Ethnomathematics Graduate Certificate), ALL 15 credits earned during the graduate certificate can be applied to a Master’s degree (M.Ed.) in Curriculum Studies. It will take an additional 15 credits to complete the degree. For graduate degrees in other departments or colleges, you will need to contact each program to see if the credits may be applied to their program.

Summer Session
- What is the time commitment during the one-week summer session?
- From Monday-Thursday, we will typically run from 8:00 a.m. – 5:00 p.m. (possibly earlier/later on some days). From Friday-Sunday, the cohort will lodge together all weekend (beginning Friday morning and ending Sunday evening).
