WHAT THE MENTOR TEACHERS ARE SAYING ABOUT THE PROGRAM

I feel the COE teacher education program is one of the strongest programs in the state.

The COE teacher ed program is working really hard to prepare teachers to be the best that they can be at the end of their student teaching. The staff is very dedicated to making sure they get the best experience possible and are as prepared as possible. I have been very impressed overall with the program.

The COE teacher education program prepares new teachers to be ready to teach when they graduate…COE students are learning and implementing the latest and newest research based strategies.

Highly effective program!

The program is very comprehensive and rigorous.
